MXT HOLDINGS

FIBER DIVISION

WHY CHOOSE MXT

More network. Fewer limits.

We never compete with you.
100% neutral operator: your network grows with no conflict of interest.

High availability by design.
Underground fiber and redundant rings, with mission-critical SLAs.

From the Southeast to the world.
Our own corridor with direct access to submarine cables.

Scale without friction.
Capacity from 10 to 400 Gbps and growing, at your pace.

ALL ON ONE NETWORK

Dark fiber · **Dedicated internet** · **Transport · IP Transit** · **Colocation**

Coverage: Mexico City · Monterrey · Puebla · +12 more cities · Southeast–Central corridor

Let's talk about your network.
